BOOK SYNOPSIS

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Updated in its 14th edition, California Government and Politics Today focuses on ethnic and cultural diversity, the global economy's impact on California (and vice versa), and the emphasis on political involvement as an essential component of achieving the California Dream. This new edition continues a tradition of scholarly and practical coverage of California government.
