## BOOK SYNOPSIS

This review book will help practicing pediatricians prepare for the pediatric recertification examination that they must pass every seven years. Each chapter contains a detailed review of topics followed by questions. There are approximately 1,000 questions. This book is sharply focused, with the singular objective of preparing the busy physician to pass the exam on the first try. CME credit will also be available. Along with the text is a companion Website with an interactive question-and-answer test bank to provide additional review.
